

SDG 10 – Disability support services

Rektor Unsri Presentasikan Transformasi Digital Pelayanan Informasi Publik Pada Uji Publik 2023 Komisi Informasi Pusat

Chancellor of Sriwijaya University, Prof. Dr. Taufiq Marwa, S.E., M.Sc. as the highest leader and superior of the Information and Documentation Management Officer (PPID) of Sriwijaya University (Unsri) took part in the in-depth public test presentation which is part of the 2023 Public Agency Information Openness Monitoring and Evaluation (Monev) stage held by the Central Information Commission (KIP). Several innovations carried out by PPID UNSRI in public information services include changing services from conventional to digital, integrated services from PPID Unit to Main PPID, and providing services for people with disabilities.
