

SDG 11 Sustainable Cities and Communities

11.2.1 Public access to buildings

Provide public access to buildings and/or monuments or natural heritage landscapes of cultural significance.

The Rumah Panggung at FKIP (Faculty of Teacher Training and Education) Universitas Sriwijaya is a cultural facility that reflects the traditional architecture of South Sumatra. It serves as a space for various cultural and educational activities, emphasizing the preservation and promotion of local heritage. The Rumah Panggung is part of the university's commitment to integrating cultural values into its educational environment.
