## 17.4 Education for the SDGs

### 17.4.1 Education for SDGs Commitment to meaningful education

Universitas Sriwijaya commitment lies in providing inclusive and accessible education that transcends socio-economic boundaries. We strive to create an educational environment that empowers individuals from diverse backgrounds, ensuring that the benefits of learning reach every layer of the community. Universitas Sriwijaya exhibits a steadfast commitment to education aligned with the Sustainable Development Goals (SDGs), seamlessly integrated into its regulations and curriculum. This dedicated integration reflects the university's conscientious approach towards addressing global challenges and fostering a holistic educational environment that contributes to sustainable development.

This is enshrined in the UNSRI Rector's regulation on the curriculum, Article 11 paragraph 4 letter c, providing opportunities for the entire academic community to manage, lead, and contribute to research and development that is beneficial for the well-being of humanity, recognized both nationally and internationally.
