

SDG 17 – Relationships with regional NGOs and government for SDG policy

Kerjasama dengan SEAMEO RECFON dan Kementerian Desa

In 2023, Sriwijaya University received a visit from SEAMEO RECFON to conduct monitoring and evaluation of the Early Childhood Care, Nutrition, and Education (ECCNE) Program. This meeting discussed the implementation and action plan of ECCNE Program in Ogan Ilir District. Through this meeting, it is planned to hold collaboration between SEAMEO RECFON and Sriwijaya University to be able to resolve these problems and produce policies that have a direct impact on society in Ogan Ilir District.

Also in 2023, Sriwijaya University, through its Dies Natalis activities, will collaborate with the Ministry of Villages to implement SDGs related to village development. The University of Sriwijaya is invited to be directly involved in developing policies that will later be made by the Ministry of Villages.
