17.3.17 Publication of SDG reports - SDG 17: Partnership for the Goals

As an educational institution, the University of Sriwijaya has been endeavoring to optimize the implementation of the tridharma of higher education, particularly the tridharma roles that are associated with and intertwined with issues related to Sustainable Development Goals (SDGs). To achieve this, UNSRI has established partnerships with various stakeholders to realize the SDGs. Through the Faculty of Social Sciences and Political Science, UNSRI is engaged in a collaboration in the field of Corporate Social Responsibility (CSR) with the business unit of PT. Pertamina in Palembang.

UNSRI has also formed partnerships with the Foreign Policy Community of Indonesia (FPCI), in conjunction with the British Embassy in Indonesia, organized the Indonesia Universities Climate Conference (IUCC). This event marked the inaugural occasion where representatives from numerous universities across Indonesia convened to deliberate on the outcomes of COP-26 (the United Nations Climate Change Conference in Glasgow) and the Glasgow Climate Pact, a comprehensive agreement among nations aimed at averting global temperature increases beyond 1.5 degrees Celsius and mitigating the ramifications of the climate crisis.
